**PETITION UNDER 37 CFR §1.181(a) TO WITHDRAW HOLDING OF
ABANDONMENT BASED ON FAILURE TO RECEIVE OFFICE ACTION AND
PAYMENT OF ISSUE FEE DUE**

Sir:

1. Petition To Withdraw Holding of Abandonment Based on Failure to Receive Office Action filed under the provisions of 37 CFR §1.181(a), no fee required.

On August 31, 2004, the undersigned attorney of record received an Office communication mailed on August 25, 2004 with a Notice of Abandonment for failure to pay the required issue fee. (Copy enclosed as Exhibit A). The undersigned attorney of record attests that the Notice of Allowance and Fee Due was not received and that an immediate search of the file jacket and docket records indicated that no Notice of Allowance and Fee Due communication was ever received for the above-identified application. (See photocopy of the file jacket of the subject application enclosed as Exhibit B which shows no entry of any communication received entitled as Notice of Allowance and Fee Due or of receipt of any other Office communication since February 5, 2004 until the Office Communication of August 25, 2004.)

On September 1, 2004, Mr. Ross, patent agent of record, at the request of the undersigned, telephoned the Office concerning non-receipt of the Notice of Allowance and Fee Due. Mr. Ross spoke to Ms. Jill A. Warden of Art Unit 1743, who upon discussing the matter with Mr. Ross noted that our firm's mailing address was incorrectly typed in the Office's computer system as "201" North Wacker Drive instead of "20" North Wacker Drive. Ms Warden then faxed Mr. Ross a copy of the Notice of Allowance and Issue Fee Due, on September 1, 2004, with a comment that the address was being corrected in the Patent Office computer system.

BEST AVAILABLE COPY

Filed: May 7, 1999

(See "Comments" on the copy of the fax cover sheet and the incorrect address on the attached Notice of Allowance and Issue Fee due enclosed herein, as Exhibit C.) Thus, we first received the Notice of Allowance and Issue Fee when it was faxed to us on September 1, 2004 by Ms. Warden.

In further support of non-receipt, the following evidence and comments are provided.

a. Our firm's practice upon receiving official Patent Office communications by mail is to have the mail clerk route the communication to the docket clerk, as evidenced in Exhibit A by the stamped statement, "To Docket" which is initialed by the mail clerk, "rd". The docket clerk then stamps "Entered" on the document, adds handwritten docket dates, and initials the date stamp "KF". The docket clerk then also enters the title of the communication in the "Action" column on the file jacket. (See Exhibit A.)

b. The comment on the Fax Cover Sheet of Exhibit C by Ms. Warden attests that the mailing address on the Notice of Allowance was incorrectly entered into the Patent Office computer system. The Postal Service did not deliver the original Notice of Allowance and Fee Due communication to our office. Moreover, the incorrect address entered into the Patent Office computer system is non-existent. A copy of a Mapquest address locator search is enclosed as Exhibit D, which shows that no 201 North Wacker Drive was located in Chicago; there is a 201 South, a 201 East and a 201 West Wacker location but no 201 North Wacker. Hence, receipt by our office of any such misaddressed mailings depends on the mercy and alertness of the particular U.S. Postal Service mail carrier who happens to be on duty on a given day.

c. The incorrect mailing address was not the fault of the applicants or their attorneys. Rather, the Patent Office incorrectly entered the wrong address in its computer system upon receipt of the Revocation and Power of Attorney appointing the undersigned as applicants' representative. The Revocation and Power of Attorney form included the undersigned's correct address. (See copy of the Revocation and Power of Attorney enclosed as Exhibit F.)

d. The undersigned was unaware of the existence of the Notice of Allowance and Issue Fee Due until the Notice of Abandonment (Exhibit A) fortuitously was delivered, despite also being misaddressed. The undersigned was unable to electronically check the status of the application through the private PAIR system, because the Patent Office has not correlated the application with our Customer No. in the PAIR database. In the interest of correcting this problem, and prior to receiving the Notice of Abandonment, a Change of Correspondence Address PTO/SB122 form was submitted by mail on August 27, 2004, a copy of which is enclosed as Exhibit E, along with a copy of the return postcard bearing the OPIE date received stamp of August 30, 2004.

Accordingly, the applicants request that the petition for withdrawal of the holding of abandonment, based on failure to receive the Office Action, be granted and the patent be issued.

Filed: May 7, 1999

2. Payment of Issue Fee Due.

In further interest of expediting resolution, the applicants also are concurrently submitting the required issue fee and request acceptance and application thereof.

Respectfully submitted,
